Audience and Community Engagement Fund Guidelines

Program Overview

The Screenwest (Australia) Ltd Audience and Community Engagement Fund (ACEF) provides grants to organisations for activities which enhance the Western Australian screen industry by promoting local productions and practitioners to audiences.

Such activities may include, but are not limited to, curated public screenings, festivals, engagement activities between Western Australian filmmakers and the public or tours that provide opportunities for Western Australian audiences to see and experience quality Western Australian screen content.

Screenwest is open to new and innovative activities which engage Western Australian audiences and strengthen community participation with the screen industry. Please contact the ACEF Program Manager at Screenwest to discuss your activity prior to submitting an application.

The objectives of the funding program are to:

1. Profile diverse* and quality Western Australian film, television, interactive digital media and practitioners to Western Australian audiences.
2. Increase engagement between Western Australian filmmakers and the Western Australian community.
3. Provide opportunities for the Western Australian community, including regional Western Australia, to access a diverse range of screen productions.
4. Provide screen industry development opportunities.
5. To facilitate Western Australia in becoming a vibrant hub of cultural activity.

These guidelines must be read in conjunction with the [Screenwest Terms of Trade](#).

*Screenwest recognizes diversity as differences in gender; age; Indigenous identity; cultural and linguistic diversity (CaLD); disability; sexuality and gender identities, including lesbian, gay, bisexual, transgender, queer and intersex (LGBTQI+); location (including urban communities and remote regions) and socio-economic status.

Funding Available

There will be one intake per financial year. The level of Screenwest's funding commitment will be determined by the assessment process and the total demand on available funds.

Funding in 2018-19 is available for one year only to Tier 2 applicants.

Triennial funding has been awarded to successful Tier 1 applicants and will reopen to applications from 2020 for the 2020/2021 financial year. Please note exceptional cases may be given special consideration so please contact Screenwest to enquire further around Tier 1 applications.

ACEF is two tiered in its approach, offering:

1. Up to \$95,000 per annum for an activity in Western Australia that has demonstrated a national reach and appeal, significant ticketed sales and has established relationships with the screen industry and marketplace. In exceptional circumstances Screenwest may consider applications for an increased amount, at Screenwest Management's discretion and as per final approval by the Screenwest Board.
2. From \$2,000 up to \$10,000 per annum per application for smaller and emerging festivals, tours, projects or activities in Western Australia. In exceptional circumstances Screenwest may consider applications for an increased amount, at Screenwest Management's discretion

2. Profile Western Australian screen content and filmmakers to Western Australian audiences.

Organisations awarded ACEF funding are ineligible to receive separate funding support for a project, event or activity that is part of an existing ACEF application. This includes ACEF projects sponsoring another ACEF funded project.

Screenwest will not fund projects that contain material that will bring, or is likely to bring the Western Australian Government or Screenwest into public disrepute, contempt, scandal, or ridicule, or which might tend to reflect unfavourably on Screenwest.

Terms of funding

Funding is provided as a grant. Successful applicants will enter into a written agreement with Screenwest, specifying the terms of the funding and what the applicant will need to deliver to receive payments.

Failure to fulfill acquittal and/or meet deliverable requirements as specified within the funding agreement is a breach of contract. If contractual obligations are not met, Screenwest has the right to recoup funds already paid to the applicant and it may disqualify the recipient from being eligible for future Screenwest funding until outstanding funds are paid back and the matter resolved with Screenwest.
