

Travel Fund

The Screenwest travel fund assists with the costs of travel for Western Australian Creatives to attend key national and international screen industry markets, or festivals and awards.

Support is a contribution only and is highly competitive. Funding is available for two types of activities:

1. **Screen Industry Markets.** Applications will need to demonstrate a slate of projects with market interest and a significant track record. Funding will be allocated to applicants looking to solidify finance and market partners for a project / slate of projects.
2. **Festivals & Awards.** For practitioners nominated for a major award, or to represent project/s with confirmed screenings in a major festival (see eligibility).

Funding Available

- Up to \$1,500 per application for National destinations
- Up to \$3,000 for Asia-Pacific destinations
- Up to \$5,000 per application for Rest of World (international) destinations
- An additional amount of up to \$500 may be granted to regionally based practitioners to assist with non-direct flights.

Emerging Career Practitioners* may receive funding support for a maximum of two trips per financial year, with no more than one of these being international.

**1-2 credits in a related role, relevant to the travel opportunity being applied for (being any combination of broadcast, theatrically distributed, or commercially released credit).*

Mid-career to Established Practitioners* may receive funding support for a maximum of four trips per financial year, with no more than two of these being international.

**A minimum of 2 or more credits in a related role, relevant to the travel opportunity being applied for (being any combination of broadcast, theatrically distributed, or commercially released credit).*

To note: Funding support is not automatic - support and approval depends on the competitive strength of the application and availability of funds.
