

Diversity & Inclusion Fund Guidelines

What is it?

The Diversity & Inclusion Fund is a special fund to support the creation and growth of diverse representation on and/or behind the camera from targeted underrepresented groups of Western Australian screen industry practitioners. It has a particular focus on practitioners from CaLD backgrounds, living with disability, LGBTQIA+ and intersectionality's of these practitioners.

The primary purpose of the Diversity and Inclusion Fund is to foster a local screen industry that better reflects the overall diversity of Western Australia's population, through the key strategic focus areas:

- Skills development and pathway opportunities for crew and key creatives from underrepresented backgrounds through funded Attachments.
- Supporting screen industry activities that will lead to greater and long-term intersection between the professional WA screen sector and underrepresented groups within the Western Australian screen industry.
- Supporting access to professional screen sector activities through equipment adaptation, set modification, interpreters and/or support workers on Screenwest funded productions.
- Discovering diverse new talent with unique stories to tell.
- Supporting projects which contribute to a climate where ethical stories, storytelling and narratives are encouraged via community engagement to reflect contemporary societal values.

Projects and activities that attempt to close any current identified skills gaps areas within the Western Australian screen industry may be prioritised.

Funding Streams

The Diversity & Inclusion Fund has two streams.

Diversity & Inclusion - General

- This stream accepts applications for screen industry activities and/or projects from practitioners from the identified focus areas below, with the broader aim of increasing diverse representation.
 - CaLD
 - Disability
 - LGBTQIA+ and
 - Intersectionality's of any of the above groups
- There will be up to three rounds per financial year, focused on these identified communities, subject to funding availability.
- Rounds will be announced as and when best suits the direction and purpose of the organisation.

Diversity & Inclusion – Access

- This stream accepts applications anytime throughout the year for Western Australian Production Companies to provide attachment opportunities and/or to assist with physical accessibility to professional productions for underrepresented Western Australians, within the identified focus areas. Individual practitioners may apply, or a Production Company may apply on behalf of the practitioner.
- Screenwest funded productions will be prioritised, along with proposals that may lead to ongoing opportunities and/or employment.
- Given the demand on funds, Screenwest will likely only be able to support a select number of opportunities per year.

What Can I Apply For?

- **Diversity & Inclusion – General**
 - Up to \$20,000 per application
 - These funds may be used for either projects or activities.
- **Diversity & Inclusion – Access**
 - Up to \$10,000 per application
 - These funds may be used for Attachment opportunities, or for specific accessibility costs on a production.
- Funding is not automatic, even if an applicant can demonstrate they meet all the assessment criteria.
