

Targeted Industry Capacity Building Program Guidelines

This program fast tracks growth in key sectors of the Western Australian screen industry to better service growing production levels in the State.

The following sectors are currently being targeted to fill industry capacity gaps in longform scripted drama:

- Unit
- Gripping/Rigging
- Lighting
- Catering.

Bold ideas to increase the capacity in Unit, Gripping/Rigging, Lighting and/or Catering departments, primarily in training are sought.

Ideas to increase capacity in other sectors will be considered case-by-case basis, in consultation with Screenwest Management.

Screenwest encourages applications from First Nations Australians and people from historically underrepresented groups.

Funding Available

- Up to \$100,000 per proposal.

Screenwest funding is limited and competitive.

What You Cannot Receive Funding For

- Recurrent administrative overheads, including up not limited to rent, utilities, insurances, legal expenses.
- Monies already spent (applications for retrospective funding are ineligible).
- Applications where the benefits will flow out of Western Australia.
- Proposals that would otherwise fit within other Screenwest funding programs.

Eligibility

Applicant / Company Eligibility

The applicant / company must:

1. Meet the general eligibility requirements in the [Screenwest Terms of Trade](#).
2. Be a Western Australian Resident with a registered Australian Business Number (ABN) or a Western Australian Resident Company as defined in the [Screenwest Terms of Trade](#).

Non-Western Australian applicants may be considered where they can demonstrate a long-term commitment to the Western Australian screen industry and training Western Australian screen practitioners.

- Hold the relevant insurance/s required to deliver the activities proposed.

Application Materials

Applicants must submit the following materials:

- 1-2 page proposal outlining:
 - a. The proposed idea / activity
 - The outcomes and benefits the idea/activity will provide to the Western Australian screen industry in the next 12-24 months and the longer term
 - The track record of the applicants and their ability to deliver on the proposal outcomes.
 - A budget outlining how Screenwest funds will be spent and any additional funding partners.
2. A timeline for delivering the proposed idea/activity.

Assessment Criteria

Screenwest will assess eligible applications against the following criteria:

1. *Quality*: the quality and strength of the overall proposal (e.g. budget, timeline, key people involved, likely outcomes).
2. *Track Record*: the applicant's potential and/or likely ability to deliver on the proposed plan, based on their track record and commitment to developing the screen industry in Western Australia.
3. *Workforce Development*: the extent to which the proposal will contribute to the overall workforce capacity development of Western Australian Below-The-Line crew and services.
4. *Benefits to WA*: the extent to which the proposal will deliver key development outcomes to Western Australian screen practitioners and the benefit to Western Australia.
5. *Strategic Priority*: the range of activities being funded currently and historically, to ensure Screenwest supports activities across a range of strategic priority areas.

Screenwest will weight the above assessment criteria as it deems appropriate to best serve the strategic purpose of the organisation.

When reviewing applications, Screenwest considers if the applicant has multiple ongoing projects that could affect the quality and timely completion of additional projects.
